

This is what you'll see when you first open the Billing section on your BlueMidX panel.

The screenshot shows the BlueMidX Billing section. The left sidebar has the 'Billing' menu item highlighted. The main content area shows the current plan as 'Free or Expired' and a 'Subscribe a New Package and...' button. A callout box points to this button with the text: 'To view the packages and deals we offer in the billing section, simply click "Subscribe to New Packages."' Below this is a 'Payments History' section with a table. A callout box points to the table's export options (Copy, Excel, CSV, PDF, Print) with the text: 'This option allows you to download your order details. You can choose whether to download it as a PDF file, CSV, or other available formats.' Another callout box points to the table headers (Order ID, Product, Paid, Date, Billing Info) with the text: 'ORDER DETAILS'. Below the table, there are three callout boxes: 'PAYMENT INFO' pointing to the 'Paid' column, 'DATE OF TRANSACTION' pointing to the 'Date' column, and 'BILLING INFO' pointing to the 'Billing Info' column. The table currently shows 'No data available in table'.

After clicking "Subscribe to New Packages," you'll be taken to the packages and deals we offer, as well as the Add-ons option. Our prices start at \$19 for Essential Packages, \$29 for Standard Packages, \$39 for Professional Packages, and \$49 for Enterprise Packages.
